Our Tradition

Pocahontas Catholic School has been a great Catholic School tradition since 1896. Once located at the current Pocahontas Elementary site, Pocahontas Catholic moved to our current facility in 1973. Throughout the years our site has seen many upgrades and changes in order to provide our students a number one educational experience.

Learning for a Lifetime

Faith and Service

Safe and Disciplined Environment

Strong Academic Achievement

Our Mission

Pocahontas Catholic School is a community called by God, formed as disciples of Jesus, and guided by the Holy Spirit. Our mission is to develop students, staff, families and parishioners in Gospel living through experiential learning. We are dedicated to making God's love present by developing skills for learning and living; and serving each other, our Church, our community and our world!

Faith and Service

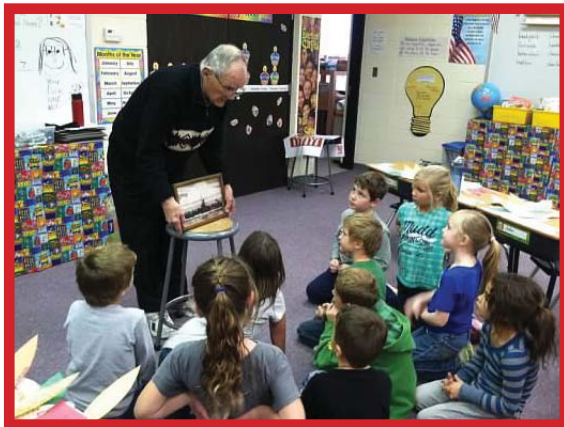

At Pocahontas Catholic School, Christian values are blended naturally into all subject areas and the daily life of our students. God's presence illuminates all learning and all areas of school life.

Kindergarten through Fifth Grade students are educated in the Catholic tradition at Pocahontas Catholic School. They learn to search for truth, to develop faith in God and love for the neighbor. Students learn to apply their faith to everyday life and to carry these values with them long after the graduate from Pocahontas Catholic School.

Safe and Disciplined Environment

The outstanding staff of talented, certified teachers at Pocahontas Catholic School provides students the benefits of positive teacher and pupil interaction. Faculty, teacher aids, and volunteers maintain an orderly, well-disciplined environment which contributes to academic success.

Strong Academic Achievement

Together with Christian values, high academic standards are the cornerstone of Pocahontas Catholic School's curriculum. Along with the core curriculum, our students participate in other community and school programs that broaden their learning experiences.

Spelling bees, essay and art contests, history programs, music programs, field trips and an outstanding library enhance our curriculum. We share P.E., art, band, music, and 5th grade keyboarding with Pocahontas Area Community School.

Transportation is provided by PAC.

Up-to-date technology includes one-to-one iPad minis for all students, an excellent computer lab and internet access in each classroom.

Taking an active part in Christian service, students reach out to the community in many ways, building a strong spiritual foundation. Planning and participating in the weekly student Mass teaches ministry and builds self-esteem. Students learn to understand and appreciate this vital part of the Catholic faith practice.
